\***Dropped IB** means the International Baccalaureate (IB) website's school webpage url brings up the message: "**Unfortunately, this school no longer offers any IB programmes.**" In a few cases, *Dropped IB* also indicates a former IB World School that disappeared from current IB references, but nonetheless appeared in older IB sources. One school on the list closed; there may be others.

Information about communities that have "**Active IB Protests**" may be found at the Truth About IB website <http://truthaboutib.com/>
